

# Nieuw Amersfort Community Association 8<sup>th</sup> Annual Xmas Care Package program

December 2018

Join the Nieuw Amersfort Community Association in its 8<sup>th</sup> Annual Xmas Care Package Project and extend some warmth to a few more needy children, community members who are shut in due to illness or are mobility challenged and those that are homeless in our community.

The Nieuw Amersfort Community Association includes residents from Kings Highway to Flatbush Avenue between Avenue H and Avenue K and meets every fourth Tuesday from September to June. Its members have for the past 7 years donated packages made up of hats, scarves, gloves, socks and toilet articles distributed, for transparency, mainly through some churches in the area.

Your positive response would allow us to extend our 2018 program and reach some more people. For further information and to have the packages ready for distribution in time for Christmas, please contact Elaine Henry at 718 377 20 71 on or before November 08, 2018. Items can also be brought to the November community meeting.

On behalf of the recipients we thank you in advance.
